

AMAVEN

LEADERS IN PHYSICAL
LITERACY EDUCATION

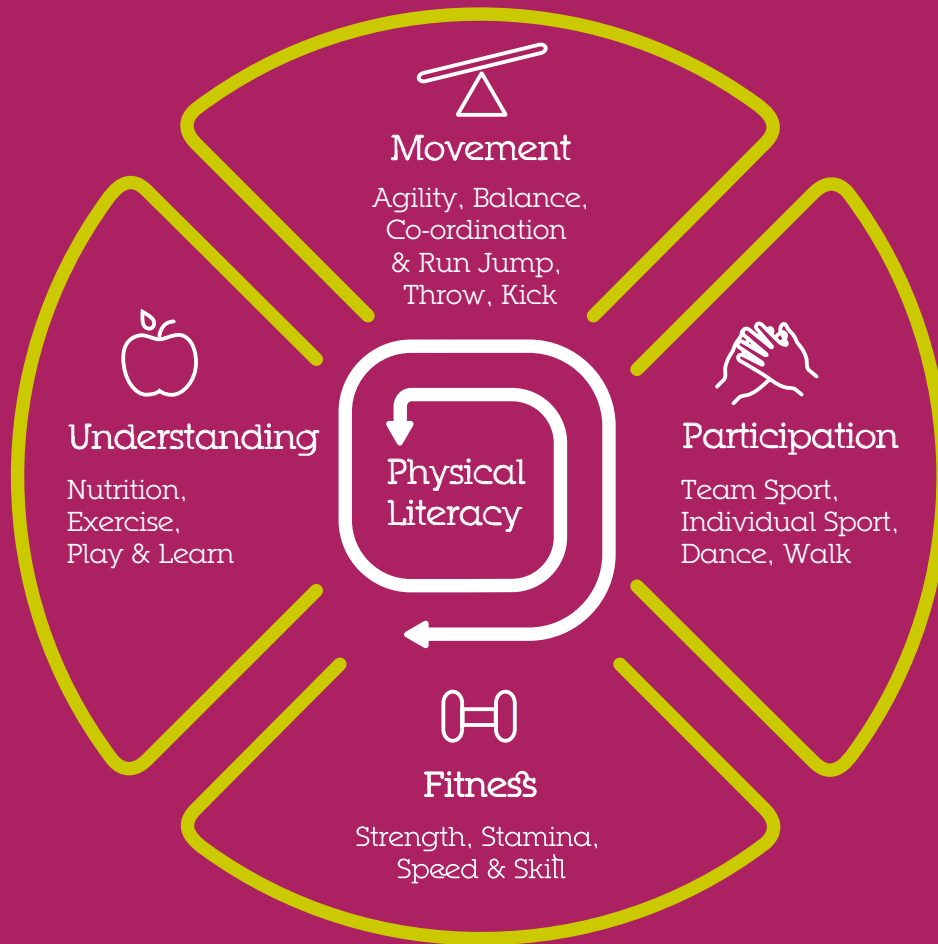

OUR GOAL-

HELP YOUR PUPILS
DEVELOP INTO HEALTHY,
WELL ROUNDED ADULTS

Every school aims for its pupils to enjoy learning and achieve highly. With the Amaven online platform your school will be able to offer Physical Literacy as part of a broader curriculum to help to develop a healthy lifestyle in every child.

Schools can teach Physical Literacy to every child with easy lesson plans and homework. Amaven will help your school to meet and exceed the national curriculum requirements for physical education. With a parental login you will also increase engagement with parents to help children with their Physical Literacy homework.

AMAVEN DEFINES PHYSICAL LITERACY FOR ALL AGE GROUPS...

...so your pupils can develop an understanding of the benefits of physical exercise, nutrition and mental wellbeing.

With Amaven points system, you can reward pupils to enhance their self-esteem and help them develop into healthier, physically active adults.

SAVE TIME & EFFORT WITH BUILT-IN LESSON PLANS & HOMEWORK

Amaven provides lesson plans and homework to support the existing PE and multi-sport provision in your school. Teachers will spend a lot less time preparing for PE lessons with access to Amaven.

Lesson plans and homework are designed by child health and wellbeing experts to impact quickly and consistently.

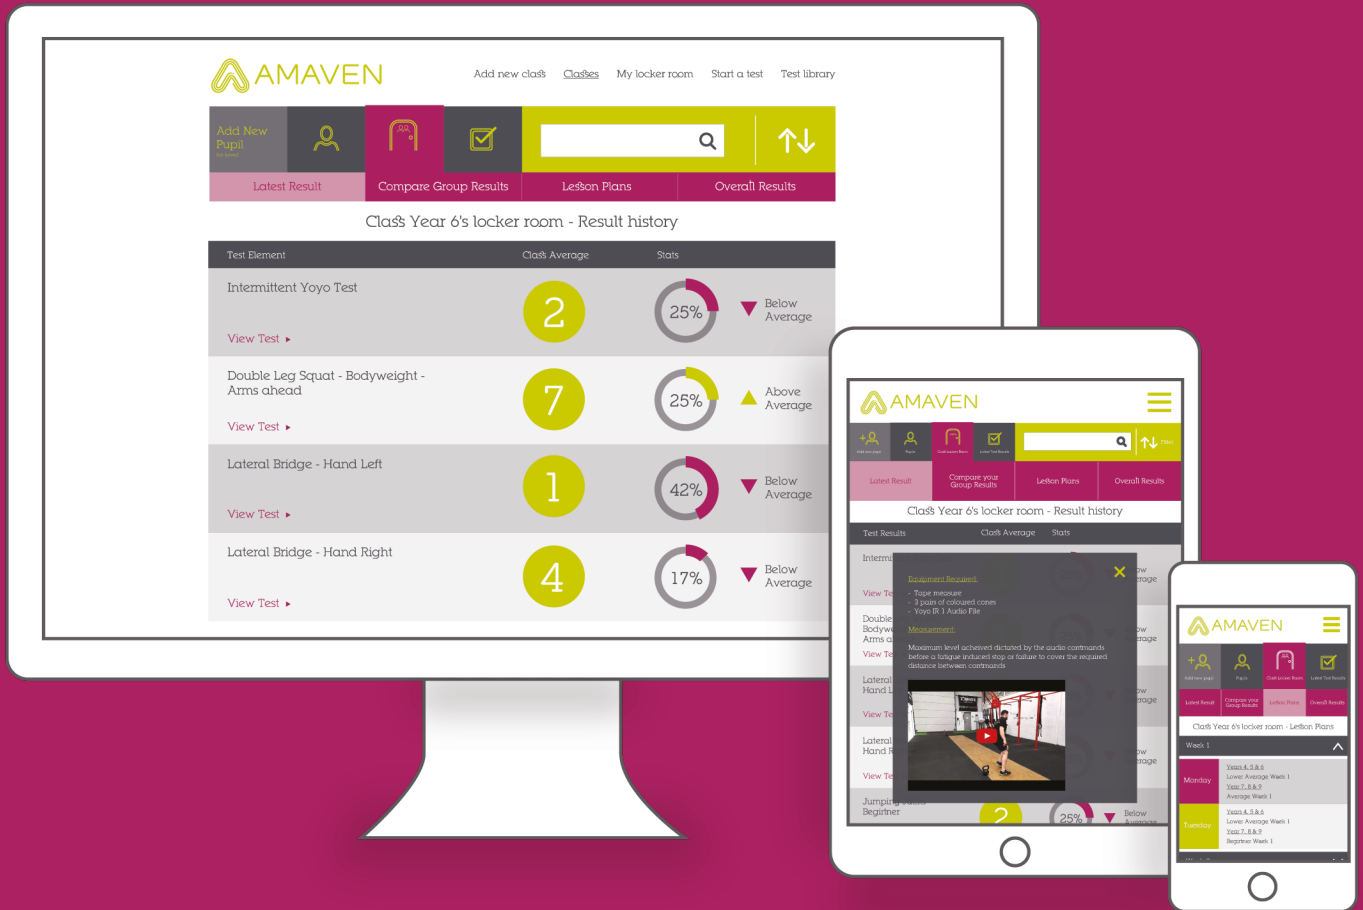

PROVIDES EVIDENCE OF THE IMPACT YOU ARE DELIVERING

Amaven will help you to measure, track and report the impact of your lessons with built-in tests. Our tests are designed to ascertain levels of attainment in all four key components of Physical Literacy.

With built in dashboards and reports, head teachers and class teachers will have access to either whole school, classroom or individual pupil metrics. Amaven will also help you to be inspection-ready like never before.

Your school will be able to identify children at risk as well as the ones who are excelling. These children can be helped further with more appropriate resources.

AMAVEN WORKS SEAMLESSLY
ACROSS ALL DEVICES

30%

IMPROVEMENT IN
BALANCE, AGILITY &
CO-ORDINATION

IT DELIVERS GREAT RESULTS!

Results have shown that pupils' movement improved by more than 30% on average and fitness improved by over 10% supporting Amaven's promise to make a real and positive impact on the physical literacy of every child who takes part in the programme.

TONY ROBINSON,
HEAD TEACHER, KIRK MICHAEL PRIMARY SCHOOL

We're delighted by the results provided by Amaven to-date. This system truly helps us to support our children in their physical literacy development and gives them the core skills to take care of their own health and well-being throughout all stages of their lives. The easy measurement processes will ensure that every child can show signs of improved physicality, health and learning, which will pay dividends across many aspects of their childhood and adult lives.

AMAVEN IS THE COMPLETE PHYSICAL LITERACY SOLUTION FOR YOUR SCHOOL

Amaven will upskill your teachers with built in CPD training programmes in Physical Literacy. Our goal is to improve the skills, knowledge and confidence of your teaching staff.

Amaven is a cloud-based solution that is quick and easy to adopt with a SIM data import facility that requires no IT resource. Amaven also comes with a robust SLA that delivers total peace of mind with comprehensive data security and full technical support.
